

1. Meet ROMP Piccolo

2. Enjoy

Before using, we recommend applying water-based lube to the shaft and your partner for a sexy, slippery assist.

Attach ROMP Piccolo to a smooth and flat surface using its suction cup. Bring ROMP Piccolo with you to the shower, stick it on a chair or on the floor, whichever is more fun!

Make sure you keep the plastic support inside ROMP Piccolo during the use.

With your hands-free, you can explore various positions and angles and just enjoy your ride.

3. Play Ideas

Experiment whatever feels good to you! Pair ROMP Piccolo with ROMP Riot for that extra buzz. Twist and pull the plastic support piece to remove it and insert ROMP Riot instead.

ROMP Piccolo is harness-compatible, and it can be used for pegging or for strap-on sex. Make fantasy a reality!

4. Clean

ROMP Piccolo is water-resistant. You can clean it by rinsing it with warm water and toy cleaner. Just make sure to dry it off properly!
