Key Benefits

- Cruelty-Free and Vegan
- Doctor-Approved Formula
- Not Safe for Latex Condoms
- Safe for Vulvas
- Sandalwood and Cardamom Scent Linked to Increased Desire

Shelf Life: 24 months after opening

Using Sex Oil

Pump directly onto the skin and rub anywhere you desire. Safe to leave on. Sex Oil is doctorapproved and formulated to be safe for internal use. It won't offset your pH balance. It's also safe to leave on and won't clog your pores. We don't recommend drinking Sex Oil, but it's lickable and kissable!

Caution

- Not recommended for use with condoms or silicone toys.
- If irritation occurs, please discontinue use.
